Chart Notes

Chart Notes:

Between [7:11am and 7:37am], the D4 DC is excellent.

Between [7:14am and 7:25am], the D9 DC has a good Leo Asdt, with Ju Blessing it.

We must start at 7:31am, as Ve sub-period starts on Jan 29th, so the Navamsha DC will not be good for the M#3.

Krittika Nakshatra, Thursday, Shukla Dasami.

[7:31am to 7:37am] is the Muhurta for M#3.

Dasamsha DC also very favolrable.

Me and Ra alone weak.

Sun-Ve sub-period.
