

Two Wedding Muhurtas in Santiago, Chile:

Ms AAA & Mr KKK

Constraints, Observations & Ingredients for the Wedding Muhurta:

1. The given time frame is Nov 2012 and April 2013.
2. Santiago, in Chile [70°W40', 33°S27'] is the 'Muhurta Place'.
3. Time Zone [TZ] in Santiago [in Feb 2013] is 'ADT'=3 Hrs West, Daylight Saving Time [DST]. I check the TZ always from www.astrodienst.com, you may also visit this site, and make a verification of the TZ.
4. Ms AAA has a strong Cancer Asdt Rasi Chart [RC], with a strong FB (Functional Benefic) Su in the VIIH, a strong FB Mo (exalted) in the XIIH, and she is running the Ju-Me sub-period [between Aug 2012 and Nov 2014]. Her Natal Me, is quite strong in the VIIH of the spouse, though somewhat combust (hence shown in Blue). Me, the sub-period Lord is a FB for her. The IIIH Lord, Su, ruling family cohesion is strong for her, this will be a great asset in holding the family together. On the other hand, her Ve, the significator of marital happiness is weak in infancy and afflicted almost exactly by Ke-Ra axis, and this affliction will be stubborn as the Nodes Ke and Ra are placed in the Malefic VIH and XIIH respectively. As already suggested, when the Ra-Ke Remedial Measures are followed with devotion and sincerity, this obstacle to marital happiness to marital happiness, will be 'minimized'.
5. Mr KKK has a weak Libra Asdt RC, with the Asdt Lord, Ve, placed exalted in the VIH, in conjunction with the VIIH Lord Ma, and in the Sign Pisces. He will be running the Mo-Sa sub-period [between Dec 2011 and July 2013]. His Natal Sa is well placed in the XH. Sa, the sub-period Lord is also a FB for him.

6. Both their Navamsha DCs have a palpable amount of Grace {the Asdt H of their respective Navamsha DC is fortified by two FBs, in each case}, and this will manifest as good fortune in life, and good fortune also in married life.

7. As Me and Sa, are their respective sub-period Lords and Ve is the significator of marital happiness, in the Wedding Muhurta Chart, these three Lords should ideally not be in Retrograde Motion.

8. The Muhurta implies the operation of 'Bija-Vriksha Nyaya' [the seed-tree principle]. According to this principle, the moment of the Muhurta is the 'seed', and this seed will evolve into a 'tree of marital destiny' with the flow of time. See the figure appearing below on Pg. 3.

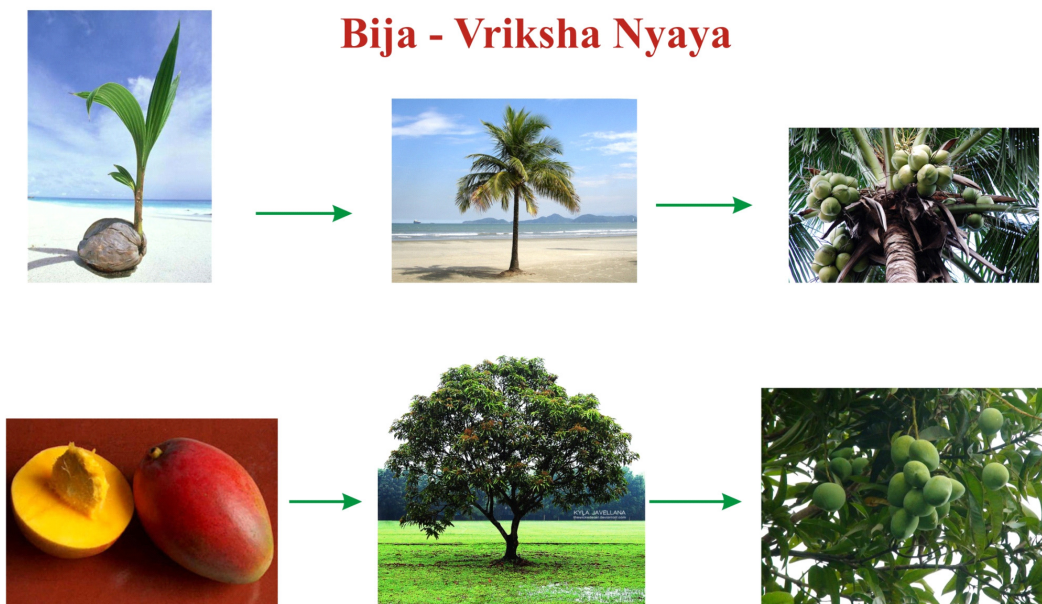

9. AAA's Natal Mo and Natal Su are at 22°10' and 21°10' respectively in Taurus and Capricorn. In the period, [28/Aug 2012 to 11/Nov 2012], Tr Ju becomes retrograde[R] and stationary around 22°20', and so will afflict her Natal Mo and Natal Su, so during this period, no Wedding Muhurta can happen. She will have to propitiate Ganesha, the Hindu God [who is actually the Presence of Awareness within all humans] through some form of worship, or she may meditate on the Self or Atma, which Ganesha represents. Ganesha is also represented in Vedic Astrology by the Planet Ju, irrespective of whether it is Benefic or Malefic. Ju is a FM [Functional Malefic] for AAA, so in this period, while there might be some gain, some Grace, *it may also come with some difficulty. She is likely to be angry and hasty during this period, some period of enmity or loss may come upon her, during the said period. At best, we may consider this adverse Transit of Ju to happen in a time frame which is wider than the narrow time frame indicated above-say between Aug 15th to Nov 20th, say.*

10. Tr Ju [Ju is a FB for KKK and a Malefic for AAA] will be in R motion between Oct 5th 2012 and Jan 30th, 2013.

11. Between [20th Feb 2012 & 8th, July; 2013] Tr Sa will be in R motion, so this period is also best avoided.

12. Between 8th Nov & 27th Nov, 2012, Tr Me will be in Retrograde motion, so this period is best avoided [VA Sutra says, a Muhurta may not be given when Me is R].

13. So, the first three weeks of Feb 2013, looks more trouble free, than any other slice of time, within the given broad time frame.

The Basic Principle behind Astrological Muhurtas is The Bija Virksha Nyaya.
Illustrated here through the examples of the Coconut Seed - Coconut Tree : Mango Seed - Mango Tree.
One can not get a Coconut Tree from a Mango Seed. The Muhurta is the Seed (Bija) & what evolves from the Muhurta, as destiny is the 'Tree'.

14. Two Wedding Muhurtas are being given, consistent with all the constraints, observations and ingredients mentioned above.

First Wedding Muhurta:

Feb 7th, Thursday, Sagittarius Asdt, Venus Dasa Muhurta, extraordinary Navamsha DC [Div Chart].Santiago, Chile. Muhurta Peak:[4:30am to 4:44am].Many Strong Benefic Planets. Important Notes on this First Wedding Muhurta appear in the “Notes” section of the Wedding Muhurta PDF Doc. The same “Notes” are also reproduced below:

Chart Notes: The FIRST WEDDING MUHURTA AT SANTIAGO, CHILE [ON FEB 7TH, 2013, A THURSDAY], [4:30am to 4:44am]:

1. THE POWERFUL WEDDING MUHURTA CHART SHOWS AN AUSPICIOUS, SAGITTARIUS ASDT, WHICH THOUGH HAVING A WEAK ASDT LORD J_u IN THE VIH, NEVERTHELESS, HAS AN ABUNDANCE OF GOD'S [ISVARA'S] GRACE, IN THE FORM OF MANY STRONG FBs, AN EXCEPTIONALLY AUSPICIOUS NAVAMSHA DIV CHART-ONE IN WHICH J_u , THE FOREMOST PLANET OF DIVINE GRACE, BLESSES THE ASDT HOUSE, THE ASDT LORD V_e , AS WELL AS THE SUN AND THE MOON. J_u BLESSING THE ASDT H, THE ASDT LORD, THE SU AND MO IS VERY VERY RARE.ADDITIONALLY, THE V_e DASA[MAIN SEASON] IS ALSO RUNNING IN THE ASTROLOGICAL CLOCK TIME.IF THE NAVAMSHA DC[DIV CHART] WAS NOT SO EXCEPTIONALLY AUSPICIOUS, THEN THE MERIT OF THIS WEDDING MUHURTA WOULD HAVE COME DOWN. No Muhurta will be entirely and 100% blemishless, so the weakness of this Asdt Lord [in an otherwise powerful Muhurta Chart] is something we have to reckon with.

Synchronization of Clocks on Feb 6th, 2013:

To make the optimal use of the Muhurta Peak, have clocks at home synchronized with the Standard Time Zone, pertaining to Chile [‘ADT’,

3 Hrs West, DST]. This is extremely important, for getting the maximum Grace during the Muhurta Peak.

2. The Navamsha Asdt [MOST IMPORTANT DIV CHART FOR THE MARITAL SPHERE] remains invariant from [4:30am to 4:44am], so this "Muhurta Window" of 14 Mts, represents the peak or the climax of the Muhurta ON THE WEDDING DAY OF FEB 7TH, THURSDAY, AT SANTIAGO, CHILE.

Page | 5

3. "THE ASTROLOGICAL CLOCK TIME" SHOWN ON THE RIGHT SIDE OF THE CHART shows the Ve Main Dasa [Main Season] running from 28-OCT-2011 to 27-FEB-2015. The Ve Dasa [Main Season] runs till 2031, OCTOBER. NOTE THAT Ve IS THE SIGNIFICATOR OF MARRIAGES AND MARITAL HAPPINESS IN VEDIC ASTROLOGY.

4. THE GREEN COLORED PLANETS ARE THE STRONG FBs [FUNCTIONAL BENEFIC PLANETS] WHICH BRING IN THE STRONG BLESSINGS OF ISVARA, WHEREAS THE RED COLORED PLANETS ARE THE FMs [FUNCTIONAL MALEFIC PLANETS], WHICH BRING IN THE WRATH OF ISVARA. BLUE COLORED PLANET IS ALSO A FB, BUT IS HAVING THE WEAKNESS CALLED 'COMBUSTION' [PROXIMITY TO THE SUN]. FOR ALL PRACTICAL PURPOSES, WE MAY TAKE IT THAT, Ma, THE COMBUST PLANET, IS ALSO a 100% STRONG FB Planet.

5. TILL THE END OF THE Su Dasa [till OCT 2037], THE TIME FOR SUSTAINING THIS MARRIAGE IS EXTRAORDINARY.

6. THE ACTUAL WEDDING CAN BEGIN SOME HALF AN HOUR OR 45 MTS BEFORE THE PEAK INDICATED. DURING THE 14 MTS PEAK OF THE MUHURTA, THE MOST IMPORTANT

RITUAL FOR THE WEDDING MUST BE CONDUCTED, LIKE TAKING THE MATRIMONIAL OATH, MAKING A LOUD CHANT TO GOD, LIGHTING A FIRE OR LIGHTING A LAMP, MAKING THE BRIDE WEAR A RING, TYING THE MANGALA SUTRA ON THE NECK OF THE BRIDE BY THE GROOM[IN A HINDU WEDDING], OR SIGNING A SACRED DOCUMENTET, ETC.PL USE YOUR OWN DISCRETION TO DECIDE, WHICH RITUAL IS MOST SACRED, AND INCLUDE THAT.

7.॥SARVA MANGALA SIDDHI RASTU, SAMPURNA ANUGRAHA PARAPTI RASTU, SHUBHA MANGALA VIVAHA PRAPTI RASTU॥

[MAY YOU BOTH ATTAIN EVERY AUSPICIOUS BLESSING; MAY YOU BOTH ATTAIN THE PERFECTION OF BLESSINGS; MAY YOU BOTH BE BLESSED WITH A HAPPY MARRIED LIFE].

15. Second Wedding Muhurta:

Feb 3rd, Sunday, Chile, Santiago, Muhurta Peak=[13:29hrs to 13:44hrs].Aries Asdt Muhurta Chart, with a strong Asdt Lord[Note that the Asdt Lord of the First Wedding Muhurta was weak], but with a Navamsha DC, which is not so perfectly auspicious as that in the First Wedding Muhurta. Every Muhurta has its strengths and weaknesses. This Second Muhurta may also be chosen, as it is also very auspicious and good, as it is a Ju-Dasa Muhurta.Pl study Notes given below, and also in the PDF Doc on the Second Wedding Muhurta:

Chart Notes: SECOND WEDDING MUHURTA ON FEB 3RD, 2013, Sunday, SANTIAGO, CHILE, Strong ARIES ASDT CHART, MUHURTA PEAK= [13:29HRS TO 13:44HRS];

1. This is a powerful Aries Asdt Muhurta Chart, and the Astrological Clock Time shows the Ju Dasa [Main Season in life] running, and this will continue till April 2026. even after the Ju Dasa, for another 19 yrs, the auspicious Sa Dasa will be running till April, 2045.

2. However, the Navamsha DC is not as auspicious as that in the other Wedding Muhurta on FEB 7th, 2013.

3. Ve, the significator of Marital Happiness, wife, comforts and luxuries is 100% strong FB [Functional Benefic]. As the bride AAA has a weak and afflicted Ve in her Natal Chart, both the given Wedding Muhurtas have been ensured to have a strong Benefic Ve.

4. Ju, the foremost Planet of Divine Grace in Vedic Astrology is also 100% strong in this Second Wedding Muhurta, and Ju is the GS [General Significator] of the husband in a woman's Chart, according to Vedic Astrology. Pl note importantly that in the First Wedding Muhurta, Ju is weak.

5. Synchronization of clocks on Saturday, Feb 2nd [previous day] with the Standard Time in Chile is a must to make the optimal use of the Muhurta window.

6. The wedding function may start some 45 Mts before the Muhurta Peak. The "Muhurta Peak" must be reserved for the most sacred act-like the Oath of Marriage, Prayer to God, or making the Bride wear the Ring, lighting a sacred Lamp, Chanting the Mantras of God, Offering Aarti to God, etc.

||Sarva Mangala Prapti Rastu, Sampurna Anugraha Siddhi Rastu||

||Subha Mangala Vivaha Prapti Rastu||

Note: The PDF Docs, for the First Wedding Muhurta and the Second Wedding Muhurta are separately attached.
