

Part IV:

Vedic Astrology in the Sphere of Health and Disease-Variou Aspects **Dr. Prema Shanker raises basic questions, as to how Vedic Astrologers look at health and disease?**

Page | 7

Q1: How do Astrologers prognosticate health and disease?

Astrological Origin of Cancer and Preventive Remedial Measures.

The findings of Prof. V. K. Choudhry, regarding Cancer-how the same is sourced in natal afflictions from Ra-Ke.

Q3: Dr Prema Shanker enquires into the Vedic Astrologer’s method of analysing the professional sphere? Sri Sambasiva Ramanananda, mentions the approach and the variables considered and Sri Sankara Bhagavadpada, elaborates on this, keeping the Systems Approach[SA] in mind. Enormous Benefits from Vedic Astrology accrue when there is the *Intention to Understand*. **VC File: FHB VC30.mpg(6Mts)**

Q4: Dr. Prema Shanker and Sri Chandrasekar Kannan, raise the subtle question as to the relative importance of the Rasi Chart[RC], as against the many Divisional Charts[DCs]. Taking an illustrative example, Sri Sankara Bhagavadpada explains how it is important to examine the RC, as well as the DC in question, for the given sphere, in a wide-angled vision.

Q6: Dr. Prema Shanker raises the question, as to how the *self*-Knowledge given by Vedic Astrology has brought peace into the hearts of individuals? Society unconsciously creates conflict in individuals. *self*-Knowledge in the spheres of marital life, professional life, spiritual life. How does *self*-Knowledge help us to take the right decisions?

Q7: Sri Chandrasekar Kannan, asks if self-Knowledge offers another route to fulfilment in life? He asks whether we are succumbing to social and familial pressure and thereby creating conflict within ourselves? In answering this question, Sri Sankara Bhagavadpada stresses on the power of integrity in life.
